

# Riverside District's 2022 Passport to Adventure

Riverside Parents,  
Our Passport to Adventure is a way for your Cub Scout (Lion to Webelos) to have the opportunity to grow, learn, and have fun doing Cub Scout type activities this Summer. The Summer Passport program was designed to give you, your Cub Scout and your family some ideas to continue Scouting with your den or your family during the summer months. Within this passport you and your Scout will find different themes. Each theme was created to give your Scout a better understanding of themselves and their surroundings. We are very aware that the current economy may create challenges for some households. With that in mind we have worked hard to provide a program that may be accomplished with little to no cost. The activity window to complete the requirements is "summer" – Memorial Day weekend (May 30, 2020) to Labor Day weekend (September 7, 2020). Besides having some family fun this summer, cub scouts who complete 16 or more activities will be invited to a movie-night at the Malabar Transmitter Annex this Fall. Make sure you keep track of your adventures by completing the form to the right, and send a pdf or a picture of the completed form to the below email no later than September 10th, 2022. Please be sure to write the contact section neatly/legibly. Details will follow for your movie invite. We hope you have a great summer and have fun!
